Mayra De Leon, RSC

Dear Tenants,

Potluck Matters, as you guys may have seen in the Academy Street Community room, there is a sheet on the table that says as follows:

Monthly Neighborhood Academy Street

I wanted to elaborate about more on what this is, well Ms. Margarita is trying to unite the residents of Academy Street to gather every month in the community room and share dishes and exchange knowledge, card games, bingo, coloring and other activities can also be played and agree up on between each other.

This was created with a lot of thought in gathering and learning from each other, not only our socialization but also to keep your mind sharp and to expand your friend circle.

Please note that this is not mandatory, and you are under NO obligation to be part of it or attend, but we all truly encourage you to do so. Let's bring those cooking seasonings to share with all of them.

Please complete the form and return it to RSC Mayra or call the office on 860-628-5200, option 2.

Sincerely,

Mayra De Leon RSC @ Southington Housing Authority
