

Join us for a community conversation about health and healthcare needs of Southington residents

The Main Street Community Foundation is conducting a community quality of life study and wants to hear directly from local residents. Share your thoughts about the health, well-being, and healthcare needs of the Southington community. Your input will help identify community priorities and guide future Foundation investments to improve health and quality of life.

Your voice matters—we hope you'll join the conversation!

All participants will receive a \$25 gift card as a thank you.

Date: Wednesday, September 9th

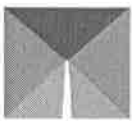

Time: 12:00-2:00pm

Location: Academy Street

A light lunch will be provided

To sign up contact Kirsten @Ext 2 or Kirsten@southingtonha.com

Space is Limited. Sign up by August 28th.
